It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

[16] Sir Providence the 18th of ffebruary 1694

We are sorrey it so falles out that we are put upon it to trouble you with a matter of this Nature; but so it is, There

came a woman into o^r Towne y^e 8th instant at night great with Child out of yo^r Province from Boston & was brought in & left at a house in our TowneShip by one of yo^r Province Joseph Cowell by name it being y^e Night before the Storme; As soone as Could be the authority tooke notice of her & have had her in Examination, Shee gives us this account that her name is Hannah Hayman, & her husbands name is John Hayman, & that her husband went to sea in Jully last & hath not been in this Countrey since;

Shee saith shee hath a hired house in Boston & that shee came from Boston to Dorchester, & from Dorchester to Dedham, & from Dedham to Renton, & from Renton to the house of David Whipple, & from thence to Providence, We find that the King by his lawes takes care of all his subjects, & Requires all in authority so to doe;

She being one of y^e inhabitants of yo^r Province, We haveing inquired into y^e lawes Concerning matters of this Nature, it Directs to the Care of a justice of Peace, We are willing for our owne securytie, & for y^e safty of the Woman to take the way as the law directs that so shee may be sent from Constable to Constable to the place of her abode, & yo^rselfe being the next justice to us, that is in yo^r Province, we have ordred our Constable, in order to her Removeall to the place of her abroad to leave her with you, for shee appeares to be a person vagarent; And her Condition is such that it Requires her to be under the Care & Custody of authority;

Jf we should have directed her to one of the Constables within yo^r Jurisdiction to be sent from Constable to Constable to y^e place of her abode its likely it would be Concluded that we had asumed Power in yo^r Province & so yo^r Constables have disobeyed;

But we have taken the Rules of law to Convey the sd woman to yo'selfe who have power to Comand Every of yo'r Constables that so the woman may be carefully Conveid to the place of her being & Care to be taken of her by those unto whome it may & doth belong,

Sir, we hope it will not be ill taken, its what is Required of us & what the law directs unto

Sir yo'r ffriends, & Neighbours to serve you
the Towne Councill of Providence

The Jnventary of the Estate of the deceased Benjamin Whipple who died marth the 11th: 170⁴ hath this day by the Councill been Examined & Allowed,

It is Ordred that Tho: Olney Clerk of the Councill doe on the Councills behalfe Receive a bond from Ruth Whipple Widow of the deceased Benjamin Whipple, & Executrix to his last will & Testament, for the true performance of sd will, & upon the Recept of sd Bond, then on the Councills behalfe & in their name the sd Tho: Olney Clerk of the Councill to give forth unto sd Executrix a letter of Administration for the Executeing sd will. /

Whereas there some time since was a person inhabeted our Towne of Providence who Called himselfe by the name of Thomas Patey & some time dwelt in our said towne, & by that name in our sd Towne Purchased severall lands, & propagated other Estate as Goods, Cattell, & Chattells;

But some yeares since it so fell with him that he was drowned; & after his death no will Could be found of any disposition of his Estate; Whereby his Moveable goods cattell & Chattell (by the law) fell to the care of the Towne Councill to order & dispose concerning the same, according as the law in such Cases doth direct; And in order thereunto the Councill did Proceede, imploying (for some time) the Widdow of the said deceased person in the Administration on sd Councills behalfe to look after sd | estate | & pay sd Pateys debts, & to give up her accounts from time to time to the Councill as to sd Administration; But the sd Widdow growing uncapable any longer to be Exercised in the sd imploy, the Councill did then improve her son Benjamin Beeres (on their behalfe) in y^e sd Administration to looke after sd Moveable Estate, & to Pay what debts were due from sd Person called Thomas Patey to any Person, & to Receive all debts due from any person to sd Patey; And from time to

time to render y^e Councill an account of his actings therein; But the Councill heareing of a report that the sd Benjamin Beeres had presumed to make | a | sale of some of the lands belonging to the sd person who called himselfe Thomas Patey, upon which Report the Councill caused the said Benjamin Beers to Come before them, the Councill Examining of him, he then did Confess that he had sold a percell of land which | formerly | belonged to Thomas Patey, & that he had sold it to Gideon Cruffurd, & that he had signed & sealed him a deede of it;

The Councill then Caused Gidion Cruffurd to Come before them; Gideon Cruffurd being Examined wheither Benjamin Beers had sold him any lands which belonged formerly to Tho: Patey, he answered that Ben: Beers & he had been discoursing some such thing; it was demanded of him wheither Ben: Beers had not signed & sealed & delivered unto him a deede of lands belonging to Tho: Patey, he answered that he had Received a written Paper from Ben Beers of such lands; the Councill then demanded that Paper of said Cruffurd, he then sent for it & delivered it to the Councill; the which sd written paper was a deed of Sale, signed sealed from Ben: Beers to Gideon Crufurd; in which was Contained a Sale to Gideon Cruffurd of one quarter Part of the Right of land or share of Comon which formerly belonged unto John Joanes, & also twenty five acres of land laid out | unto | Tho: Patey upon the Rights of John Joanes & George Way; the which deede beares date Anno: One thousand seven hundred & foure the said deede being Read openly in the audiance of all the People there present, Jt was then demanded of Ben: Beers wheither that was the deed which he signed sealed and

delivered to Gideon Cruffurd, he answered, that deede he signed sealed & delivered unto Gidion Cruffurd; & that he had not signed to any other of that Nature; Jt being then demanded of Gideon Cruffurd whether he had not some other writeing or deede from Ben Beere of sd Patyes lands; his answere is no, he received no other but only that, / The Councill then demand & Required of Ben: Beers to deliver up unto Tho: Olney Clerk of the Councill all the deedes & & writeings which belonged unto sd tho: Patey, & to doe it speedely, he answered, that he would speedely doe it;

And whereas when a person dieth intested his Moveable Estate, by law falls to the Care of the ordinary thereon to Administer according as the law directs; And although lands doe not so proper fall into care of the Ordinarey, but to the Gardian of the heire (if the heire be in his minority:) but when there is lands & no heire Comes directly forth to take care concerning them it behooves the authoritye to take that Care of such lands that, they may not be imbazel'd & that the heir may not be defrauded thereof;

And whereas the statute doth provide that when a father dying doth not by will Comit his child under wardshipp to any person that then the Ordinary shall appoynt them Gardians (that is to take the Tuision of them, & Care of Ordering of their lands for their proffitts) And seeing that the ordinary hath that Power Comitted to him as to wardshipps in such Cases, its not unlikely but that it may be Expected that where lands is left, & no person Emediatly directly [48] appeareing as heire there unto, that then the Ordinary should take Care that such lands may not be disposed of nor imbazeled so as that the heir should any wayes be defeated; for there is no lands but hath an heir;

And whereas | the | Person Called Thomas Patey who was an inhabitant in our Towne of Providence, died intested, & died possessed of severall lands, & his Estate falling to the Care of the Councill according as the law directs in such Cases; And some Persons haveing been so Presumptious & insolent as to attempt the selling & buying som of sd land which sd Patey died possed of, whereby the heire might have been defeated thereof had not the Councill taken Care for the preventing of the same; And least further attempts by the same persons, or by any other, persons as to the same matter should be made & propagated; the Councill doe hereby order & it | is | by the Councill hereby Ordred that Tho: Olney Clerk of the Councill doe speedely on the Councills behalfe, & in their Name set up a Prohibition in Writeing in some Publicke place in our Towne to forbid all persons selling & buying any of those lands which sd Patey died Possessed of;

The Coppie of the Prohibition to forbidd the selling of Tho: Patey's lands; the which was on the Councills behalfe subscribed by Tho: Olney Clerk of y^e Councill, & was set up upon a publike place in this Towne; is as followeth. /
